

Rustic plot with project located in San José - Ibiza

REF. :22051828

Description

Rustic land with charming new villa project located in San Agustín, San José. Project submitted to the San José Town Hall. The sale does not include obtaining the licence. Project for a 418 m² ground floor house, which perfectly combines modern style with natural and warm materials. The property will be distributed in living-dining room, open kitchen with separate pantry and laundry, 4 bedrooms with bathrooms in suite, one of them with dressing room. Three of the bedrooms have direct access to the terrace. The project also has a basement of 136 m² divided into a garage for 4 cars, technical rooms for machinery and a cistern. REF.: 22051828 Land: 18.813 m²
